El Dorado	3	28
Stone Willow	48	60
Tierra Bonita	58	60
Mesa Vista	2	70
New Hope Townhomes	14	22

## Current Projects:

### SAFFORD POOL

The 2020 swim season will come to a close on September 5. With the start of the school year upon us, and the lifeguards returning to school, we are excited to announce for the second year in a row, additional hours of operation will be available for the remainder of the season. View a [complete end of season schedule](#) here.

Many adjustments were made to the 2020 season due to the Covid-19 pandemic. Maximum capacity was decreased from 220 to 165, and pool parties were not able to be reserved. Although pool parties did not take place on the 3 nights usually set aside for those, family night swim was made available for additional nights.

While swim team did not take place, swim lessons were able to continue with reduced class sizes. While class sizes were reduced, we were able to double the number of classes with not having swim team practices, allowing the same number of slots to be available.

Adult lap swim continued to be a popular time, and a new water aerobics class was offered in the evening.

Overall, the season went well, and we appreciate everyone who helped facilitate and follow the additional safety measures that were put in place to help limit the spread of Covid-19 and made the Safford Pool a safe place for the 2020 season.

### BUILDING PERMIT FEE WAIVERS

During fiscal year 2019-2020 (July 1, 2019 – June 30, 2020), permits for 58 new single-family residential homes and 2 duplexes were issued, valued at a total savings of \$42,267.00 in building permit fee waivers for the contractors.

For the 2020-2021 fiscal year, Building Permit fees for new single-family residential homes will continue to be waived until June 30, 2021. Since July 1, 2020 a total of 2 new single-family residential home permits have been issued, valued at a total savings of \$1,676.50 in building permit waivers for the contractors.

### FAÇADE UPDATE

GCRC is the latest recipient of the City and Safford Downtown Association's Façade Grant Program. Below are before and after photos of the update.

**BUILDING DEPARTMENT**

**New Police Station:** Plan review for the new police station is complete. The project is pending contractor selection.

**Jack in the Box:** Jack in the Box is nearing completion.

**CODE ENFORCEMENT**

Our Building Inspectors are working diligently to make a difference in cleaning up our community. Below are before and after photos of properties brought into compliance.
